Organizations

Input Search Criteria

Dependant on how many CCTV systems have they will be listed here

If double left click on the CCTV name here then the images will appear in the black boxes

This means a CCTV system is Online

This means the CCTV system is not online

- Close Video
- Close All Videos**
- Start Audio
- Start Talk
- Start Record
- Snapshot
- Triple Snapshot
- Start Instant Playback
- Playback
- Window Scale
- Stream Type
- Adjust
- IVS Rule
- Full Screen

Once finished viewing the Live CCTV right click on any part of the screen and this box will appear.

Select "Close all Video" and you will then be disconnected from the CCTV system.

You may then access another system or close the program

Dependant on how many cameras have connected to the CCTV system you can select the layout here
